Easy Glider Knifeholder Positioning Retrofit Program

Reduce setup time and increase your ability to compete on shorter runs with the *Easy Glider* Linear Rail Mount from Tidland. *Easy Glider* is a cost-effective solution for faster knifeholder positioning on manual or semi-automatic slitters that are currently equipped with Tidland Performance Series Knifeholders. The *Easy Glider* retrofit kit is easy to install and does not change minimum slit width or mounting requirements.

Easy Glider Retrofit Kits Include:

- Easy Glider* back plate assembly (specify number of knifeholders)
- Replacement guide bar with linear rail (specify existing guide bar length)
- Easy to follow installation manual

To Order: Contact Tidland Customer Service at **1-800-426-1000**
